

INCOBRA Webinar #4

The EU-Brazil Joint Call on ICT (H2020-EUB-2017)

3 topics for international cooperation: Cloud Computing; IoT Pilots; 5G Networks

The INCOBRA project has received funding from the European Union's Horizon 2020 Research and Innovation programme, under the Grant Agreement number 692520. This publication reflects only the author's view and the Commission is not responsible for any use that may be made of the information it contains.

INCOBRA Webinar #4

Dear colleague,

On behalf of INCOBRA consortium, we would like to invite you to join our fourth webinar:

**The EU-Brazil Joint Call on ICT (H2020-EUB-2017) - 3 topics for international cooperation:
Cloud Computing; IoT Pilots; 5G Networks**

which is taking place on the **6th December 2016, at 2.30pm GMT** (3.30pm CET and 12.30pm Brasilia's time). The webinar lasts 60 minutes and will be held in English.

This webinar will present the **EU-Brazil joint calls on ICT:**

- [EUB-01-2017: Cloud Computing](#)
- [EUB-02-2017: IoT Pilots](#)
- [EUB-03-2017: 5G Networks](#)

During one hour we will get the chance to hear from Dr. Jorge Pereira - Principal Programme Officer, responsible for the joint call with Brazil on ICT - about the specific challenges addressed by the joint call, their scope and expected impact .

We'll then hear from Wanderson Paim from RNP - Rede Nacional de Ensino e Pesquisa(Brazilian National Research and Education Network), responsible for the call management on the Brazilian side. He will present the conditions for the participation of Brazilian organizations in these calls.

Moderator:

Joana Sampaio, PortoDigital

Speakers:

- **Jorge Pereira, DG Connect - European Commission**
- **Wanderson Paim de Jesus, RNP - Rede Nacional de Ensino e Pesquisa**
