INCOBRA Webinar #5

Dear colleague,

On behalf of INCOBRA consortium, we would like to invite you to join our fifth webinar:

RISE: Mobility opportunity for academic and non-academic players. R&I staff exchange in all fields of knowledge

which is taking place on the **17th January 2017, at 4.30pm GMT** (5.30pm CET and 2.30pm Brasilia's time). The webinar will last 60 minutes and will be held in English.

This webinar will present the [MARIE SKŁODOWSKA-CURIE RESEARCH AND INNOVATION STAFF EXCHANGE \(MSCA-RISE-2017\) call](#).

The RISE scheme promotes international and inter-sector collaboration through research and innovation staff exchanges, and sharing of knowledge and ideas from research to market (and vice-versa). RISE follows a bottom-up approach, and is therefore open to all fields of knowledge.

The scheme fosters a shared culture of research and innovation that welcomes and rewards creativity and entrepreneurship and helps to turn creative ideas into innovative products, services or processes.

The webinar will provide participants with practical information and advices on how to build the proposals. Moreover it will present a set of direct benefits for Brazilian institutions participating in RISE projects, such as:

- accessing to international networks & giving international visibility of reserach actions
- benefiting from EU funds for research & networking & dissemination which are eligible only if performed during the mobility activities of the projects (i.e. from EU Member States/Associated Countries to Brazil)

The webinar will also present the Euraxess Links Brazil platform and services, which offers numerous services to support Brazilian R&I players to participate in Marie Skłodowska-Curie Actions.

Moderator:

Ana Paula Rossetto, SPI

Speakers:

- **Elisa Natola, CONFAP**
- **Charlotte Grawitz, Euraxess Brazil**
